Praise and Prayer points

Give thanks that the Church Family camp arrangements are on track, pray for the final arrangements, pray for Patricia as she prepares to bring us a message from God, pray for ourselves that we are prepared to have open ears and hearts to receive. Pray for a great bonding within those who attend, we connect with each other and relationships are strengthened this weekend.

Pray for the new babies and their families as everyone settles into life together.

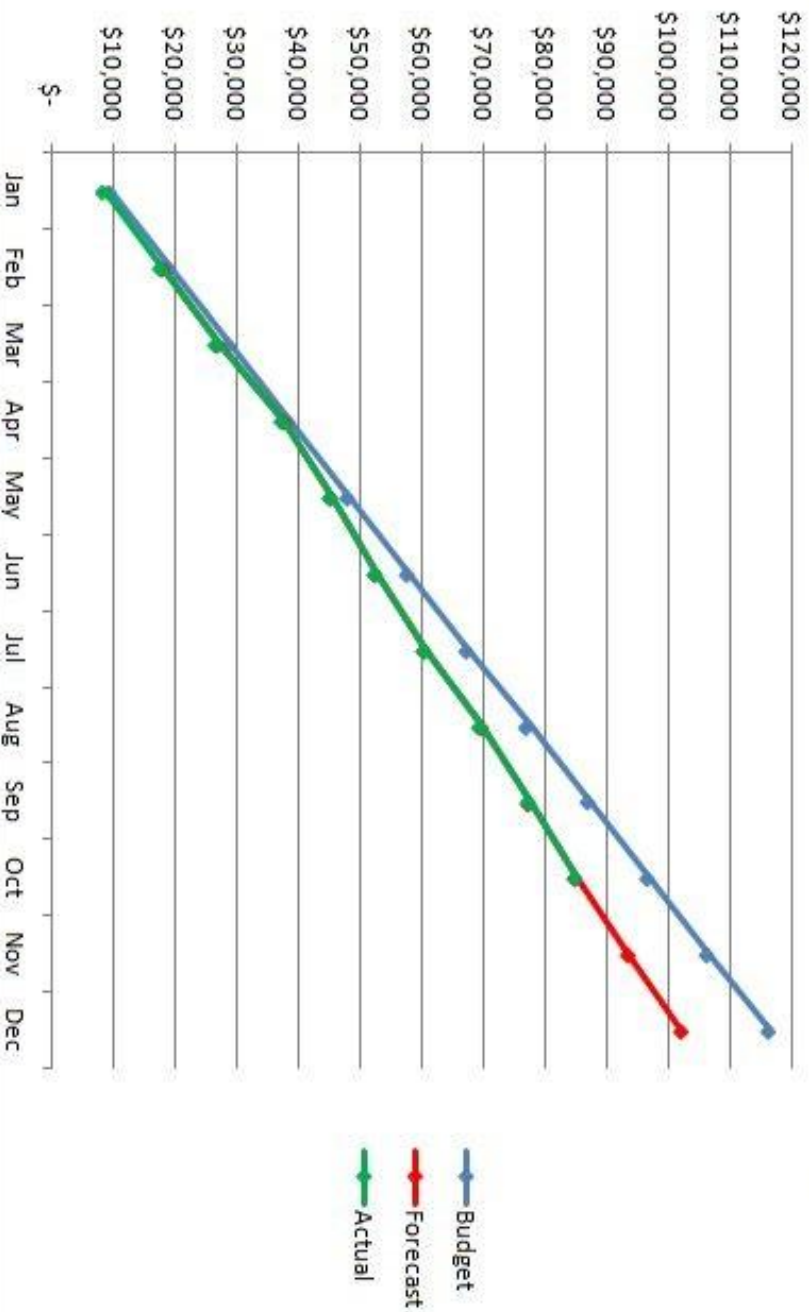

Pray for those who are grieving, those going through marriage breakdowns, pray too for grandparents who have had a lifestyle change because of the breakdown, and for children who are affected by the breakdown.

Pray for the nominators as they search for the person God has to come to Oakhurst, to lead us into the future. Pray for their families as they spend valuable family time serving God and Oakhurst church family. Pray God is preparing the heart of the person to do His work with us.

Pray for Scripture teachers to go into the local schools next year.

Offtory per month – Are we meeting our financial needs?

Our offertories have been deteriorating as the year progresses - we are likely to be short \$14,000 by year end
