Be Wise

Praise and Prayer Points

- Give thanks many are having a break from the routine of life, either going away for a holiday or staying home and relaxing. Pray that everyone stays safe and well.
- Give thanks for our wonderful fire fighters who have been on the frontline for weeks.
- Pray for the dreadful situation of bushfires in our country. Pray for hundreds who have lost their homes or businesses or both. Pray most of all for those who have lost family members, the young firemen's families, 3 have lost their lives trying to help others. For thousands of animals and birds, for many of these beachside towns who are missing out on income because people aren't and can't spend their annual holidays in these beachside resorts.
- Pray for drought breaking rains to fall widespread across our drought stricken country. Pray it happens very soon.
