# *Rector Writes*

Over the next two weeks, the Sydney Diocese synod will be held in Sydney. Every parish is represented by its rector and two elected members. Earlier this year, our AGM elected Bill Forrester and Richard Douglas as our reps.

Please be praying for us as we attend synod (and for all those involved). The synod makes decisions about money, especially what we as a parish must pay in insurance costs and other costs, as well as discussing other subjects.

There is time set aside this year for discussion of the Voice to parliament, for matters around the running of Anglican schools and for matters to do with the supervision of full-time ministers, among other things.

Sometimes it can be quite dry, but please be praying for wisdom and a kingdom focus in all the decisions and discussions.

Sometimes there is a choice between 2 good options!

# *Prayer*

---

- We pray for the upcoming Sydney Diocese synod and all those in attendance. We pray for unity within the Church body. That disaccord, disunity, offense, and rejection would have no place in the church. Pray for those who's hearts have been hurt to be healed and for reconciliation to take place. We ask that this event would be a place for good discussions and wisdom for hard decisions.
- We pray for the families of the 72 people who lost their lives in a building fire in Johannesburg last week. We ask that authorities would be able to determine the source of the fire and ensure that other tenants can be kept safe in the future.
